Dec 20, 1923

My dear Mr. Sumis -

Will you send a
letter telling about your song
book to Mr. William Chamberlain
2431 Elsworth, Berkeley Calif,
also several order blanks to
Miss Luc Chamberlain 1158
Green St., San Francisco.

Mr. Redfern Mason told
me he would be very glad to
write a review of your song
book for the San Francisco
Examiner - if you sent him a
copy of it.

I am leaving for Panama
later to sail for Santiago, Chile
early in January but my book
can be forwarded to me.

But if the book can reach me
before Jan 10 it would be much
better. Otherwise my copy sent to
me care of Mrs. F. S. Roford 608
Leam St. ~~Richmond~~ ^{Oakland} Cal will be forwarded
to me.

I hope your venture will
succeed as I am always interested
in old Spanish things being a
true daughter of my mother
whom you doubtless remember
Mrs. Josephine Cella-Phipps.

Sincerely
Leticia Cella Buckingham

Mrs. Antonio Pimentel
333 N. Norton Ave
Los Angeles, Calif
might be interested in ordering a
book also.
